

What is the Futurity?

Futurity programs were set up as a way for owners to invest in their horse's future. From weanlings through age 3, owners pay an annual fee (between \$30 and \$100) for each horse they want enrolled in the futurity that year. In return, the horse may show at the AHR Futurity Show that same year, having a chance at winning back more money than was invested.

Why should I enroll my horse?

Cash! Also, some buyers prefer to purchase Futurity enrolled horses.

Who can participate?

Any AHR registered weanling may enroll in the AHR Futurity. AHR registered yearlings, two and three-year-olds who were signed up the year before may also re-enroll.

When do I need to enroll?

Weanlings should enroll by December 31st of the year they are born. They may enroll until August 1st of their yearling year, but at twice the enrollment fee. Previously enrolled yearlings, two and three-year-olds must re-enroll by August 1st each year they wish to remain eligible.

If I enroll in the futurity this year, am I obligated to re-enroll next year?

No. But if your horse is not re-enrolled the following year, it may not be able to re-enroll again later. You should enroll your horse every year to remain eligible to participate in the AHR Futurity Show and program.

I just purchased a new Haflinger. How do I know if it was enrolled previously in the AHR Futurity?

If you are a new owner of a weanling, yearling, two or three-year-old, contact the AHR office for the current Futurity status of your horse. Deadlines are important. Don't wait to find out whether your horse qualifies! Waiting could cause your horse to be ineligible!

What is the S.I.P.?

The S.I.P. (Stallion Incentive Program) is a weanling halter class held at the AHR Futurity Show which is funded by the S.I.P. stallion owners. If your weanling is enrolled in the Futurity and is sired by a participating S.I.P. stallion, you are eligible to participate. The list of S.I.P. stallions can be found on the AHR website and also in the AHR breed magazine *Haflinger Horse*. There can be substantial payouts in the S.I.P. class as well.

I don't show. Can someone else show my horse for me at the Futurity show?

Yes! Handlers do not need to be owners.

How do I enroll my horse in the AHR Futurity?

The enrollment form is available from the AHR office or downloadable from the AHR website at www.haflingerhorse.com/ahr_futurity.htm. Mail it with your enrollment check today!

More information is available on the AHR website or by contacting the AHR office.
