

## American Haflinger Registry "Golden Path" Program

This program was developed to reward your commitment to using and enjoying the versatile Haflinger horse. As a Golden Path member you are one of the breed's best representatives, promoting Haflingers suitability for any job, be it work or play. All disciplines are included in this program, from Draft to Dressage. In Golden Path you are recognized for the time you spend riding, driving, and/or ground work with your Haflinger. In addition, if you ever do want to part with your pal, you've created a permanent record of their hours.

### Who can join?
