Registration of Domestic Foals after Calendar Year of Birth – Usual fees plus cost of DNA typing, plus penalty of \$35.

Note 1: There is a \$10.00 per animal discount on Applications for Registration sent to the Registry office and postmarked before the animal is 6 months of age.

Note 2: Applications for Transfer received more than 90 days after date of sale will incur, in addition to the regular fee, a penalty of \$25.00.

Note 3: Above prices are payments by cash, check or money order. Visa and MasterCard accepted. Add a 3% office process fee on credit card payments.

****Reminder on Stallion Licensing** – All licensed stallions require DNA testing. Foals born on or after 1/1/99 must be sired by a fully licensed stallion in order to be registered. Stallions licensed previously by either HRNA or HAA that have vet inspections (absence of mouth defects and cryptorchidism) and DNA type on file are fully qualified with AHR. Renewal fee due annually by October 25th after year of initial licensing.

Artificial Insemination – Foals born after 1/1/98 that are a result of Artificial Insemination (AI) with semen that is transported from one farm to another must have proof of parentage through DNA typing (foals registered as geldings excluded). All foals from Frozen Semen must be DNA typed.

Minimum Breeding Age – The minimum breeding age for both mares and stallions is three (3) years. Age is determined from January 1st of the year of birth.
